MEMORANDUM FOR: Director of Personnel

ATTENTION :

25X1A9a

SUBJECT : Proposed **[REDACTED]** Medical Benefits for Dependents

25X1A

1. Returned herewith are copies of the subject proposed Notices. These have been reviewed in the Office of the Deputy Director (Support) and are approved in principle, subject to the following corrections:

a. In paragraph 2, delete the phrase ". . . which may alter some of these provisions. . . ."

b. The first sentence of paragraphs 2a and b should read: "Dependents of a staff agent or staff employee, who are stationed abroad . . .," so as to emphasize that the dependents must be abroad.

c. For clarity in the format, suggest paragraph 2a be headed TRAVEL and paragraph 2b be headed TREATMENT.

d. Paragraph 3 appears to encourage the continuance of hospitalization policies. Suggest we merely point out that personnel give due consideration to medical insurance and hospitalization policies as to the benefits as applied to their particular circumstances.

e. Inasmuch as related Regulations should be published soon, these Notices should indicate an expiration date six months from date of publication.

2. It is requested that these Notices be redrafted, new concurrences be obtained from the Office of the General Counsel, the Medical Staff and the Comptroller, and resubmitted to the Assistant Deputy Director (Support) for DD/P, DD/I and IO coordination and publication.
